5.5" x 8.5". US\$ 7.95

Barbara Brunnick, Ph.D. completed her Ph.D. studying dolphin in the Bahamas. She collaborated with Stefan on this book after spending several months, over several years, with him in Portugal.

Dr. Stefan Harzen, completed his Ph.D. studying dolphins in the Sado estuary from 1987 through 1996. He still returns to check on 'his' dolphins at least every couple of years.

## THE BOTTLENOSE DOLPHIN OF THE SADO ESTUARY, PORTUGAL

Stefan Harzen &  
Barbara J. Brunnick

This book was made possible thanks to Margaret Klinowska who reviewed the manuscript, and the wonderful support of Banco Totta e Açores, Coleções Philae, CTT, Grundig, Grupo Espírito Santo, IBM, Inapa, Lufthansa, Novotel, Sapec, Siemens. Printed by Printer Portuguesa, Lda.
